

MIHARA HORSE CLUB

Riding Regulation

1. Keep clean stable, passage, stall, horse wash pan and everywhere always. Use wheelbarrow to take off poops and dispose to poop container. Trashes should be put in trash box and cans should be put in can box. Do not mix them.
2. After used, tackles, saddle, girth, headstall, bridle and any other tools should be replaced or restored in the place where they were. Do not leave them as you like. When those are broken you should inform it to instructor, so that they can be repaired or replaced.
3. Club House should be used in clean condition and when you leave room, you MUST switch off air conditioning. Do not leave trashes, cans and wasted papers in Club House.
4. After riding, you should give horse cooling down, wash body, scrape sweat and water, dry up by cloth, brushing, put hoof oil and then return horse to the stall. Do not return horse with wet body condition. Before return horse, you should clean the stall, take off poops. After return horse, close door and be sure chain lock is properly set up.
5. Do not use NO NUMBER Saddle, they are owned by private riders.
6. For beach ride, use the saddles indicated numbers made of vinyl. And after beach ride those saddles should be cleaned with fresh water to take off sea water and dry up. Beach ride instructor should carry poop scraper to take off poops on road and beach. Do not leave poops on way.
7. Back guard should be prepared by yourself and use yours. Back guard in club is for visitors. Do not use them.
8. Tuesday is reserved for instructor skill up, training horses and also for horse rest as much as possible. However there is exemption for visitors or students if they have unavoidable reason.
9. July, August, September from 1130 to 1400 will be no ride as much as possible to avoid heat. Beach ride is exemption.
10. Basically one lesson should be limited in 60 minutes including break time. And one day 3 times for one horse.
11. Jumping height limits to Max 80 cm for student and 100 cm for instructor. Jumping times limits Max 8 times in one lesson for tall jumps.
